WHO WE ARE

We build growth engines, not campaigns.

Senior operators

Strategists on your account — no juniors.

Diagnosis first

We fix the system before spending on ads. If ads aren't the first thing to fix, we'll tell you — and help you find the solution first.

One partner

Media, creative, content, data, sales process, lead nurturing — one accountable team.

Not a marketing agency — a **growth partner**.

education vertical, Malaysia

Scaled past **+RM 100K / month** — with CPL going down, not up.

THE TURNAROUND

TikTok CPL: RM 252 → RM 54

Most efficient on the platform

The priciest channel became the cheapest win.

Parity with Meta

Outstation included — not just the big cities.

TIKTOK ONE

The best creative was the one we didn't pay for — **TikTok ONE.**

RM 54

best-ever TikTok CPL

~50%

cheaper per lead

Free

TikTok-vetted creators

Studio-grade native content — **without the studio budget.**

THE MYTH

“TikTok is just for teenagers.”

The postgrad numbers say otherwise.

Target by age & role

Creators matched to working professionals, per programme.

Postgrad demand is real

MBA & Masters activated profitably on TikTok.

Cheaper enrolments

Applications on par with Search — far below PMax.

Working adults are on TikTok. **Run it like a performance channel.**

THE PLAYBOOK

We ran TikTok against the grain.

A lead engine

Instant Forms & lead-gen — not just awareness.

+236%

more form leads
in a single month

20×

native beats high-production

High-production looks good. **Native wins the action.**

CREATIVE

A GIF beat a video shoot.

Statics → motion

Reworked into GIFs — no shoot, no lead time.

Top of the board

Held performance for two full cycles.

A fraction of the cost

Matched vlog creative on CPL, for less.

A creative library that gets cheaper and better every cycle.

FOR YOU

What this means for your funnel.

Rebuild written-off channels

The channel you were told to cut, turned into a lead engine.

Creator content at volume

Native-first, tested until performance picks the winners.

CPL down as you scale

Seven-figure budgets, cost per lead trending the right way.

Running TikTok as awareness? **You're leaving CPL on the table.**
