codefortynine

Insights provided by Atlassian

Key Insights

Where C49 over-indexes vs Marketplace:

- **IT** (+5.5pp) — strongest differentiator, though share is slightly declining YoY
- **Consumer Discretionary** (+3.6pp) — growing share, widening the gap
- **Professional Services** (+1.7pp) and **Media** (+1.1pp)

Where C49 under-indexes vs Marketplace:

- **Government** (-4.7pp) — the largest gap; C49 barely penetrates this segment
- **Financials** (-3.3pp) — however, this is C49's **fastest-growing** vertical (+2.3pp YoY), closing the gap
- **Industrials** (-2.5pp) and **Telecom** (-1.5pp)

Growth Trends (FY25 → FY26):

- **Financials** is the standout grower (+2.3pp shift), suggesting C49 is successfully diversifying
- **IT dependency is easing** (-1.5pp) as the mix broadens
- **Health Care** and **Professional Services** are both softening slightly
